Puducherry, the 25 NOV 2024

OFFICE ORDER

Sub: PPCC – Ease of doing business, Business Reforms Action Plan – 2024 –
Mandating order to publish real-time dashboard with all information in Online
Consent Management and Monitoring System (ponocmms) portal – Reg.

The Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India has formulated the Business Reforms Action Plan (BRAP) – 2024 under the Ease of doing business, requires online dashboard to be published in public domain for all approvals granted with data on number of applications received, granted, time taken, fee incurred to grant approval/certificates and preferably updated on real time basis. Data published in the dashboard shall be as per the prescribed format in the guidelines of BRAP – 2024.

Hence, the dashboard published in Online Consent Management and Monitoring System (<https://ponocmms.nic.in/>) portal shall adhere to the above requirements and format prescribed in the guidelines of BRAP – 2024.

/Issued with approval of Secretary (DST&E) – cum – Chairman (PPCC)/
