

GOVERNMENT OF PUDUCHERRY
DEPARTMENT OF SCIENCE, TECHNOLOGY & ENVIRONMENT
PUDUCHERRY POLLUTION CONTROL COMMITTEE

Declaration of College Campuses as “Plastic Free Zone”

Government of India has initiated various measures to phase out Single Use Plastic. Government of Puducherry has imposed ban on 10 Single Use Plastic items in the U.T. of Puducherry with effect from 2nd August, 2019. Department of Science Technology and Environment organizes various awareness programmes and enforcement activity towards phasing out of single use plastics. As a part of the programme, in the occasion of Gandhi Jayanthi, massive pledge taken Ceremony followed by opening of sign board were organized in Bharathidasan Government College for Women and Tagore Arts College. Arjun Sharma, Secretary (Env't) led the pledge taking programme in the presence of Smitha, Director (Env't) and Principal Women's College. Hundreds of student, teachers, NSS volunteers, NGO and Government official have under taken the pledge of not to use Single Use Plastics. A signboard depicting “This is Single Use Plastic Free Campus” has been erected in front of the colleges. Cloth bags were distributed to NSS volunteers and other NGOs.
