Certificate Course on
EV CHARGING INSTALLATION TECHNICIAN (NSQF Level: 4.5)
Under Green Skill Development Programme of
Ministry of Environment, Forest and Climate Change, Govt. of India

In line with the Skill India Mission, the Hon'ble Prime Minister has launched the Green Skill Development Programme (GSDP) through the Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India. As part of this initiative, a certificate course on “**EV Charging Installation Technician**” is being offered by the EIACP Hub of the Puducherry Pollution Control Committee (PPCC), Government of Puducherry.

The course comprises both theoretical and practical sessions, including field visits and hands-on training, to strengthen participants' technical foundation and applied skills on installation, commissioning and maintenance of electric vehicles (EVs) charging stations. It also aims to enhance their entrepreneurial capabilities and employment readiness in the emerging electric mobility sector.

There is no fee for the course. Candidates from outside Puducherry region will be provided free lodging and boarding during the course. Only candidates who meet the eligibility criteria will be considered for selection through an interview process.

The 56 days certificate course is proposed to start on 22nd December, 2025. Interested candidates may apply through online google form link: <https://forms.gle/4A1N6SJP22Rd4eqK8>
