Certificate Course on
APICULTURIST (WILD BEE)-NTFP (NON-TIMBER FOREST PRODUCE)
Under Green Skill Development Programme of
Ministry of Environment, Forest and Climate Change, Govt. of India

In line with the Skill India Mission, the Hon'ble Prime Minister has launched the Green Skill Development Programme (GSDP) through the Ministry of Environment, Forest and Climate Change, Government of India. This initiative includes a certificate course on **Apiculturist (Wild Bee) and Non-Timber Forest Produce (NTFP)** aimed at skill enthusiasts. The program is being offered by the EIACP, the hub centre of the Puducherry Pollution Control Committee (PPCC), Government of Puducherry. It comprises both theoretical and practical classes designed to strengthen foundational knowledge, alongside field visits and hands-on training. This course will enhance candidates' entrepreneurial skills and readiness.

There is **no fee for the course**. The candidates will be provided free lodging and boarding during the course (candidates from outside Puducherry region). The admission to the course will depend on the selection process that may involve an interview.

The certificate course is proposed to start in the 08 January, 2025. Interested candidates may apply through online google form link:

<https://forms.gle/3uXYuQLniwcpQYRu8>
