

1

hey! Umayal ! come
let us celebrate
bhogi today

2

Bheema bring tyres,
mats, etc.. which you
have in your home

3

Bheema... Bheema...
you must not burn
tyres and other plastic
products in the fire

4

why Arjuna?

5

oh! thank you sir for making me aware of the ill effects of burning the tyres and plastic materials

Because burning them will cause air pollution as well as increases the global warming

6

Come! Let us Celebrate smoke free and pollution free bhogi
Wish you a happy bhogi and pongal festival
