**Report on Group Training – “Hands-on Training & Exhibition on Craft from Waste”**

A Training Program was conducted on 26<sup>th</sup> April 2024 at 10.00 A.M. on the topic of ‘Craft from Waste’ to the school student from the Puducherry region. A total of 46 students participated in these training programmes.

Smt. J. Nithiya, a Programming Officer at the Puducherry EIACP PC Hub, delivered a warm welcome address during the training session and extended recognition to the esteemed Chief Guest, Kalaimamani V. Umapathy, a Fine Art Teacher at Government Girls Higher Secondary School in Kathirkamam, Puducherry.

Shir. Jaya Kumar, a Consultant from the Puducherry Coastal Zone Management Authority, commenced the training with introductory remarks and extended honors to the Chief Guest, Kalaimamani A. Krishnan, a Fine Arts Teacher at Jeevanandam Govt. Higher Secondary School in Puducherry.

Kalaimamani V. Umapathy, renowned as a Fine Art Teacher at Government Girls Higher Secondary School in Kathirkamam, Puducherry, shared his expertise through a special lecture on "The Significance of Waste Management and Sustainable Utilization of Waste Materials".

Following the lecture, Kalaimamani V. Umapathy and one of his students conducted a demonstration showcasing craft creation from waste materials to the participants.

Following the demonstration session, the panel of judges, comprising Kalaimamani V. Umapathy, Kalaimamani A. Krishnan, and J. Nithiya, assessed the students' crafts to determine the recipients of awards.

**Below are some of the student exhibits:**
