Puducherry Pollution
Control Committee

Let's Make Plastic Free Puducherry

Environmental Information System

The Environmental Information System (ENVIS) is a Centrally sponsored Scheme (CSS) funded by the Ministry of Environment, Forests and Climate Change (MoEF&CC), Government of India, New Delhi by providing scientific, technical and semi-technical information on various environmental issues. The purpose has been to ensure integration of national efforts in web-enabled environmental information collection, collation, storage, retrieval and dissemination to all concerned, including policy planners, decision makers, researchers, scientists and the public.

About Puducherry ENVIS HUB Centre

Puducherry Envis Hub Centre was started in the year 2005. ENVIS centre is located at the Puducherry Pollution Control Committee (PPCC), Puducherry focuses on special reference to "Status of Environment and Related Issues".

Focus of ENVIS HUB

The focus of ENVIS since inception has been on providing environmental information to decision makers, policy planners, scientists and engineers, research workers, etc all over the country. Since environment is a wide-ranging, multi-disciplinary subject, a Comprehensive information system on environment would necessarily involve effective participation of concerned Institutions/organizations in the country that are actively engaged in work relating to different subject areas of environment. ENVIS has, therefore, developed itself with a network of such participating institutions/organizations for the programme to be meaningful.

ENVIS TEAM

Smt. Smitha. R	: Member Secretary, PPCC
Shri. P. Vipin babu	: ENVIS Coordinator / Scientist, PPCC
Smt. J. Nithiya	: Programme Officer
Shri. S. Jagan kumar	: Information Officer
Shri. S. Dhinesh	: Information Technology Officer
