Government of India  
Ministry of Environment, Forest and Climate Change  
(Impact Assessment Division)

Indira Paryavaran Bhawan  
Jor Bagh Road, Aliganj  
New Delhi-110003

Dated: 25<sup>th</sup> October, 2024.

**OFFICE MEMORANDUM**

**Subject: Delisting of pending EC/CRZ projects on PARIVESH portal - regarding.**

PARIVESH (Pro-Active and Responsive facilitation by Interactive, Virtuous, and Environmental Single-window Hub) was launched in 2018 as a single-window platform for four major green clearances (EC/CRZ/FC/WL) to streamline and automate the process of green clearances, enhancing both efficiency and transparency. With the roll out of PARIVESH 2.0, the platform has further evolved to incorporate advanced technologies, significantly transforming green governance in India.

2. While dealing with EC or CRZ proposals, the Ministry has taken cognizance of the fact that many project proponents do not reply or delay the submission of their reply to the information sought by the Expert Appraisal Committee (EAC) or by the Regulatory Authority, concerned. In PARIVESH 1.0, EC proposals pending with the project proponent for submission of Essential Details sought (EDS) and Additional Details Sought (ADS) gets auto-delisted in 30 days and 90 days respectively and can be relisted by the project proponent as and when desired by accessing such Projects..

3. As PARIVESH 1.0 has now been upgraded to PARIVESH 2.0 and to have the similar functionality for delisting/relisting of the EC and CRZ proposals in the upgraded version, following Standard Operating Procedure has been laid down :

- i. All projects in PARIVESH 2.0 wherein Essential Details sought (EDS) by the Member Secretary concerned has not been submitted by the Project Proponent even after the expiry of 30 days from the date EDS is raised shall be auto-delisted from the PARIVESH portal.
- ii. All projects in PARIVESH 2.0 wherein Additional Details Sought (ADS) has not been submitted by the project proponent even after the expiry of 90 days from the date of uploading of concerned EAC minutes on PARIVESH portal or from the date such information is sought by the concerned authority shall be auto-delisted from the PARIVESH portal.
- iii. If the desired information as sought by the Authority or by the EAC is ready for submission on PARIVESH portal , the project proponent/stakeholder themselves can relist the EC proposal for further reconsideration by the authority, concerned.
- iv. After having relisted the proposal, project proponent is required to immediately submit the information on the portal. If the desired information is not submitted by the

proponent /stakeholder within 72 hours of relisting, the proposal will be auto-delisted again.

4. This issues with the approval of the Competent Authority.
