ANNEXURE – II

1. The project proponent shall be directed to stop ongoing construction related to Hospital components and maintain status quo.
2. The project proponent shall be directed to apply for Environmental Clearance through online application portal of Ministry of Environment, Forests and Climate Change.
3. As per the OM dated 12.12.2012 from the Ministry of Environment, Forests and Climate Change, the project proponent shall put up the matter relating to the violation to the Board of Directors of its Company or to the Managing Committee / CEO of the Society, Trust, partnership / individually owned concern for consideration of its environment related policy / plan of action as also a written commitment in the form of a formal resolution to be submitted to State Environment Impact Assessment Authority, Puducherry to ensure that violations will not be repeated. For this purpose a time limit of 60 days is given to the project proponent.
4. As per the OM dated 12.12.2012 from the Ministry of Environment, Forests and Climate Change, the Department of Environment, Puducherry shall initiate credible action on the violation by invoking powers under Section 19 of the Environment (Protection) Act, 1986 for taking necessary legal action under Section 15 of the Act for the period for which the violation has taken place and evidence provided to State Environment Impact Assessment Authority, Puducherry of the credible action taken.
5. As per the OM dated 12.12.2012 from the Ministry of Environment, Forests and Climate Change, the details of the project proponent and a copy of the commitment shall be put on the website of the State Environment Impact Assessment Authority, Puducherry for information of all stake holders.
6. The proposal shall be considered for TOR/EC, after taking actions as per (3), (4) and (5) above.
7. Consideration of proposals for giving TORs / Environmental Clearance for violation cases will not be a matter of right for the project proponent.
