AGENDA: Proposal for construction of Fishing harbor at Yanam by the Dte. of Fisheries and Fishermen Welfare, Puducherry - Consideration of Public Hearing Panel report along with other relevant documents:

As per the provision 7(IV) Stage(4)-Appraisal of the Environment Impact Assessment (EIA) Notification- 2006, the State Expert Appraisal Committee(SEAC) scrutinized the following documents/records relating to the public hearing conducted on 10.12.2009 at Yanam forwarded to the Chairman(SEAC) by the Member Secretary, Puducherry Pollution Control Committee(PPCC) vide letter No:746/PPCC/CTE/YNM/FH/SO/2009/904 dated 11.12.2009;

- i. Public hearing notice published in the news papers
- ii. Draft EIA report
- iii. Executive summary of the EIA report
- iv. Video coverage of the Public Hearing in the form of CD
- v. Attendance of the public hearing panel, representatives of the applicant and public participated in the public hearing
- vi. Written statements received during the public hearing.

Contd...

The Committee scrutinized the above documents and satisfied that the Public hearing was conducted in accordance with the relevant provisions of EIA Notification-2006. Since the public hearing panel has specifically recorded that "there were no objections against the project and the public present univocally welcomed the project and the panel also recommended the proposal for consideration by the SEAC" it is now resolved to recommend the proposal for construction of Fishing harbor at Yanam by the Dte. of Fisheries and Fishermen Welfare, Puducherry, to the State Environment Impact Assessment Authority (SEIAA) along with the suggestions and recommendations as in Appendix - A for consideration and issue of Environmental Clearance to the project by the SEIAA.
