AGENDA: Setting up of Women and Children Hospital, Teaching Block, Hostel Complex, Expansion of Regional Cancer Centre at JIPMER, Puducherry.

The SEAC has appraised the proposal in its 8<sup>th</sup> meeting held on 21.9.2010 and prescribed the Terms of Reference for incorporating additional terms and conditions in the EIA and EMP. The project proponent submitted the report incorporating all the corrective measures suggested by SEAC. Subsequently the project site was inspected by the SEAC on 29.9.2010 and resolved to recommend the proposal to SEIAA for issue of Environmental Clearance.

Based on the recommendations of SEAC the authority convened a meeting on 19.11.2010 and examined the proposal in detail. After detailed examination and deliberations the authority decided to issue Environmental Clearance to the proposal with the following additional terms and conditions.

1. A detailed write up of STP shall be furnished for perusal
2. Rain water harvesting pits shall be deepened by another 1m depth.
3. The details of the impact prediction shall be furnished.
4. A detailed report on the proposed biological environment like planting of indigenous flora to be furnished.

The Authority authorized the Member Secretary, SEIAA to issue the Environmental Clearance.
