

**Report on the Conduct of Technical Lecture Program organized on the
Observance of National Energy Conservation Day on 18.12.2024 at
Dr. AKSC&P, Puducherry**

The National Energy Conservation day was observed on 14th December 2024. Puducherry Council for Science and Technology organised a Technical Lecture programme on the Observance of National Energy Conservation Day. Thiru. M.D. Navin Kumar, Assistant Professor, Department of Physical Science, Pope John Paul II College of Education, Reddiarpalayam, Puducherry had delivered lecture on the theme **‘Powering Sustainability: Every Watt Counts’** at the Auditorium of Dr. AKSC&P on 18.12.2024.

The Resource person explained about the importance of saving the energy and the ways of energy conservation. The day focuses on making people aware of global warming and climate change and promotes efforts towards saving energy resources. He also highlights the achievements of the country in the fields of energy efficiency and conservation. Some examples of Energy Conservation such as turning off the light when you are leaving the room, unplugging appliances when they are not in use and walking instead of driving also narrated. In this way his talks creates awareness and encourage students to save energy.

Totally 103 students from Amalorpavam Lourdes Academy CBSE School, Villianur and Amarlorpavam Higher Secondary School, Vanarapet, Puducherry were participated and benefitted by the programme. The program ends at 11.30 P.M. Overall it was a good program in the context of arranging lecture and support taken care by the staff of Dr. AKSC&P.
