

Report on the conduct of Essay Competition on the Occasion of National Energy Conservation Day held on 12.12.2025 at Dr. Abdul Kalam Science Centre and Planetarium

Puducherry Council for Science and Technology organized an essay competition on the occasion of National Energy Conservation Day at Dr. Abdul Kalam Science Centre and Planetarium, Puducherry on 12th December 2025.

A total of 138 students from Classes VI to VIII, representing 24 different institutions from both Government and Private schools, actively participated in the competition. The programme aimed to create awareness among school students on the importance of energy conservation and to encourage them to express their thoughts creatively and analytically. The essay competition was conducted in two languages, Tamil and English, providing students an opportunity to articulate their views and express their ideas effectively in their preferred medium.
