

Report on the Conduct of Memorial Lecture Program organized on the Observance of Birth Anniversary of Dr. Vikram Ambalal Sarabhai on 12.08.2025 at Dr. AKSC&P, Puducherry

Puducherry Council for Science and Technology organised the Memorial Lecture programme on the 106th Birth Anniversary of Dr. Vikram Ambalal Sarabhai. At the beginning, Students and Staffs of PCS&T garlanded and paid floral tribute to the statue of Dr. Vikram Sarabhai laid at the Dr. Abdul Kalam Science Centre and Planetarium, Puducherry. Followed by the inaugural program, memorial lecture programme was organized wherein, Dr. A. Sivagama Sundari, Assistant Professor, Department of Physics, Tagore Govt. Arts and Science College, Puducherry delivered lecture on the topic 'Dr. Vikram Sarabhai: Achievements and Contributions' at the Auditorium of Dr. AKSC&P on 12.08.2025.

The Resource person narrated about the achievements of Dr. Vikram Sarabhai in the field of space research. She explained about the Institutes established by Vikram Sarabhai and foundation of Indian Space Research Organization (ISRO) in 1969 with the aim of harnessing space technology for the benefit of India. Dr. Vikram Sarabhai pioneering work in space research, education, and innovation continues to inspire and motivate future generations to push the boundaries of knowledge and explore new frontiers in science and technology. Her Lecture emphasize the importance of Vikram Sarabhai's contributions to India's space program and scientific community.

Totally 105 students from 'The Scholar CBSE School, Korkadu, Puducherry' were participated and benefited by the programme. The program ends at 11.30 P.M. Overall it was a good program in the context of arranging lecture and support by the staff of Dr. AKSC&P.
