Puducherry, the **05 OCT 2020**

✓ To
Shri. A. Sudhakar,
DH, WQM-I Division,
Central Pollution Control Board
Parivesh Bhawan, East Arjun Nagar, Delhi-110032.

Sir,

Sub: DSTE – Submission of Action Taken Report in compliance to the order dated 01.06.2020 of the Hon'ble National Green Tribunal (NGT), Principal Bench, New Delhi in OA. No. 325/2015, in the matter of Lt. Col. Sarvadaman Singh Oberoi Vs. Union of India & Ors. – Reg.

Ref: i) CPCB Letter No. A-14011/3/2020-WQM-I dated 25.09.2020.
ii) CPCB Letter No. A-14011/2/2020-WQM-I/870 dated 08.06.2020.

In compliance to the order of the Hon'ble National Green Tribunal (NGT), Principal Bench, New Delhi in the matter of Lt. Col. Sarvadaman Singh Oberoi Vs. Union of India & Ors. (Order dated 01.06.2020 in M.A. No. 26/2019 of O.A. No. 325 2015) the following actions have been taken:

- i) Puducherry Union Territory consists of two districts viz. Puducherry and Karaikal. Puducherry Pollution Control Committee communicated the order of the Hon'ble National Green Tribunal dated 01.06.2020 to both the District Collectors vide letter dated 11.06.2020 for ensuring compliance.
- ii) In compliance to the said order of the Hon'ble National Green Tribunal, the District Magistrate of Puducherry District and Karaikal District convened meeting with the members of the Regional Level Committee for Restoration of Waterbodies on 19.08.2020 and 30.07.2020 respectively. The local bodies and other concerned stakeholders were informed about the order passed by the Hon'ble National Green Tribunal and strategies to be adopted for restoration and improvement of waterbodies were discussed and decided in the meeting. Minutes of the Meetings are enclosed as Annexure I & II.

- iii) To meet the increasing demand for water, Government of Puducherry has made every effort to rejuvenate, renovate and restore water bodies. During the year 2019-20, the District Administration of Puducherry and Karaikal organized a massive public awareness campaign and instituted critical interventions for water conservation and groundwater recharge by launching "Neerum Oorum (Water and Village)" and "Nam Neer (Our Water)" Programs. Rejuvenation works were taken up in convergence with MGNREGA scheme and also by involving local communities, NGOs, civil societies, students, government employees, educational institutions and corporates. 205 ponds / tanks in Puducherry district and 178 Ponds / tanks in Karaikal district were rejuvenated under this program. Around 200 kms of canals were desilted in Puducherry District. Desilting of 80.50 kms of major rivers/canals, 640 kms of minor canals and its branches were carried out in Karaikal District. More than 1 lakh tree saplings were planted in both the districts.
- iv) Utmost importance is given for water bodies conservation program during the current year also. The list of Tanks and Ponds taken up for rejuvenation under various schemes during the current year is placed in Annexure III.

It is further stated that, with respect to earlier order of Hon'ble National Green Tribunal, the Action Plan containing methodology and time frame for restoration of waterbodies in Puducherry U.T. was prepared and submitted to CPCB on 03.12.2019 and information on proposed Action Plan for restoration of water bodies was prepared and submitted in the prescribed format to CPCB on 21.05.2020. It will be ensured that all the ongoing programs and future projects on restoration of water bodies will be streamlined as per the directions of Hon'ble National Green Tribunal and guidelines of CPCB.

Yours sincerely,

SMITHA. R, I.A.S.
DIRECTOR / MS-PPCC

DESPATCHED

Government of Puducherry
Department of Science, Technology and Environment

Minutes of the Meeting of the Regional Level Committee for Protection and Restoration of Water Bodies in Puducherry in compliance to the order of the Hon'ble National Green Tribunal (NGT), Principal Bench, New Delhi in OA. No. 325/2015 in the matter of Lt. Col. Sarvadaman Singh Oberoi vs Union of India & Ors.

An online Meeting of the Regional Level Committee for Protection and Restoration of Water Bodies in Puducherry was held under the Chairmanship of District Collector – cum – District Magistrate on 19.08.2020 at 10.00 AM to discuss the actions to be taken for restoration of water bodies in compliance to the order dated 01.06.2020 of the Hon'ble National Green Tribunal (NGT), Principal Bench, New Delhi in OA. No. 325/2015 in the matter of Lt. Col. Sarvadaman Singh Oberoi vs. Union of India & Ors. List of participants is placed at Annexure.

The Chairman informed the members that Hon'ble National Green Tribunal has instructed all the States and UTs to review the existing framework for protection and restoration of all the water bodies by preparing an appropriate action plan as per the Guidelines issued by the Central Pollution Control Board. The Tribunal has further instructed that atleast one pond / water body must be restored in every village, apart from creation of any new pond/water body.

The Chairman emphasised that considerable work has been done during last year under Neerum Oorum initiative of Puducherry and Nam Neer of Karaikal restoration of water bodies by the Municipalities, Commune Panchayats, PWD and DRDA and the momentum needs to be kept up during the current year also by prioritising the waterbodies that require intervention and also preparing and implementing appropriate action plans for restoration and improvement of the waterbodies.

Following decisions were taken in the meeting:

- 1) Puducherry Municipality and Bahour, Mannadipet and Nettappakkam Commune Panchayats shall furnish details of all the ponds in their jurisdiction in the prescribed format by 21.08.2020 to Puducherry Pollution Control Committee.

(Action: Respective Municipality / Commune Panchayats)

- 2) Puducherry Pollution Control Committee shall submit the consolidated report containing details of all the Water Bodies to the District Collector by 31.08.2020.

(Action: PPCC)

- 3) Encroachments in the Ponds and Tanks shall be identified and Eviction Notice shall be issued by 31.08.2020 and a detailed road map for restoration be initiated.

(Action: PWD / Municipalities / Commune Panchayats)

- 4) The prioritised list of ponds and tanks and the interventions that are proposed to be taken up / already taken up for restoration and improvement of the water bodies shall be submitted by the concerned agencies to Puducherry Pollution Control Committee by 31.08.2020.

(Action: PWD / Municipalities / Commune Panchayats / DRDA)

- 5) The PWD and LAD shall make a designated officer for each tank / pond and the responsibilities shall be fixed for any encroachment or negligence in restoration of water bodies.

(Action: PWD / LAD / Municipalities / Commune Panchayats)

The meeting ended with Vote of Thanks to the Chair.

ANNEXURE

GOVERNMENT OF PUDUCHERRY
COLLECTORATE, KARAIKAL

ANNEXURE-II

Dt. 03.08.2020

**MINUTES OF THE DISTRICT LEVEL COMMITTEE FOR PROTECTION AND
RESTORATION OF WATER BODIES MEETING HELD ON 30.07.2020 IN THE
CHAMBER OF THE COLLECTOR, KARAIKAL**

12/11/20

The meeting was conducted under the chairmanship of the District Collector, Karaikal. The Executive Engineer (I&PH), PWD; Block Development Officer; Additional Director (Agriculture); Deputy Director (LAD); Deputy Collector (DM); Commissioner-Municipality & Commune Panchayats; Co-ordinator (NSS / CSS), etc attended the meeting.

The action taken to the decision arrived at the meeting held on 13.07.2020 were reviewed.

1. It has been revealed that the Commissioners have furnished the list of Ponds (142 Nos.) to be de-silted by BDO under MGNREGA in 2020-21, excluding the Ponds which have been proposed under Climate Change fund and ponds that have been de-silted under Nam Neer. It has been reiterated that whenever, the BDO or Commune Panchayats or the PWD de-silt water bodies and irrigation channels, they shall simultaneously plant tree saplings along the bunds with the assistance of Agriculture Department / Forest Department and shall leave the task of watering and taking care to the local committee which shall be formed with the assistance of CSS / NSS and local people. The maintenance of the tree saplings has to be carried out at the grassroot level involving the local community / School students / volunteers.

(Action: BDO; CPs/KM; PWD(I&PH); Agri./Forest Dept.,
CSS/NSS & Edn. Depts.)

2. The Additional Director of Agriculture listed ten native varieties of tree saplings which can withstand the prevailing climate and soil condition. The Agriculture Department / Forest Department shall ensure good quality of tree saplings for distribution to other departments whenever required and also for sapling plantation by their Department also. The Agriculture Department / Forest Department shall form their own dedicated nursery in this regard. The Additional Director (Agriculture) informed the forum that as on date 7,200 saplings are in hand with the department and another 7,000 saplings would be provided shortly. The other department officials have been directed to approach the Additional Director (Agriculture) for tree saplings.

(Action: Agriculture / Forest Dept.)

3. It has been informed to the line departments Government of India, Ministry of Jal Shakti focused on Rain Water Harvesting Structures (RWHS) and, at least one Government Building in each Commune to have RWHS of its own and the harvested rain water to be let into nearby well / tank or aquifer as ground water recharge. The Executive Engineer (I&PH), PWD stated that at least Rupees seventy thousand to one lakh would be required to create Rain Water Harvesting structures in each Government buildings. The Commune Panchayats were directed to carryout Rain Water Harvesting, initially at least to one Government building in their Communes. The Assistant Engineer attached with Block Development Office stated that they would like to visit one or two places in the nearby District of Tamil Nadu, where they have successfully implemented Rain Water Harvesting. The Collector advised that Commissioners / Engineers from Commune Panchayats also can accompany with BDO Team for first hand information to implement Rain Water Harvesting system successfully.

(Action: BDO / CPs)

4. The Assistant Engineer, Block Development Office stated that they are going to construct choke pits for 5,000 houses under a new scheme from this year, for which estimate is under preparation. The Collector advised to speed up the process and to ensure that no sewage is let into the nearby waterbodies in the residential areas.

(Action: BDO / CPs/ KM/PWD)

5. On enquiry on the status of provision of Bar Screen in the channels as a part of Solid Waste Management by the PWD (I&PH) division it has been stated that works are almost completed. It was directed to speed up the process of Commissioning of Bar Screen at all points and to share the details of plans with the Commissioners to clear the solid waste on day-to-day basis.

(Action: PWD(I&PH) /Commissioners)

6. The Collector informed the Officers about the letter received from the Hon'ble Lt. Governor regarding setting up of 'Rain Centres' and development and implementation of "Rain Water Harvesting Structures" and submission of reports and photographs in this regard. The copy of the letter and the related correspondences received from the Government of India are enclosed for perusal and implementation. The line departments shall come up with a clear action plan in this regard for the next follow up meeting, which will be held on 12.08.2020 at 11.00 AM in the Chamber of the Collector, Karaikal.

(Action: PWD(I&PH); BDO; KM ; CPs)

With Vote of Thanks by the Chair, the meeting came to an end.
