

**MINUTES OF THE 130th MEETING OF PUDUCHERRY POLLUTION CONTROL
COMMITTEE HELD ON 03.05.2013 AT 3.30 P.M. IN THE CONFERENCE HALL OF
PHB BUILDING, ANNA NAGAR, PUDUCHERRY**

Agenda Item No. 7: Issue of Consent to establish to M/s.Vitalo Plastics Solutions India Pvt. Ltd., Mannadipet Commune Panchayat, Puducherry.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal of the unit for manufacturing "plastic products, trays, blisters, clamshells, sheet, packs, sheet, vacuum formed plastic components -2100 MTA with the following conditions:

- i. The unit shall register and obtain necessary authorization from the state ground water authority/ Regional committee for extraction of the water from the borewell.
- ii. The DG set of 62.5 KVA, 500 KVA shall be operated at the time of power failure only and it shall comply with the standards stipulated under the Environmental laws.
- iii. The unit shall provide Sewage treatment plant. The treated water shall be used for the gardening after meeting the discharge standards stipulated under the Acts.
- iv. Food waste shall be used for Bio gas generation.
- v. The unit shall collect plastic waste and disposed of.
- vi. The unit shall obtain necessary clearance from the Town and Country planning Dept.

Agenda Item No.8: Issue of Consent to Establish to M/s. Bharani Polymer Private Limited, Mannadipet Commune, Puducherry for manufacturing Expanded polyethylene foam sheet-600TPA.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i. The unit shall register and obtain necessary authorization from the state ground water authority/ Regional committee for extraction of the water from the borewell.
- ii. The unit shall obtain necessary clearance from the Town and Country planning Dept.
- iii. The unit shall collect the waste and dispose properly.
- iv. Land conversion shall be obtained from the concerned authority before establishing of the Industry.

Agenda Item No.9: Issue of Consent to establish to M/s. Sri Krishna Paper Mills, R.S. No.34/2, Sorapet village, Mannadipet Commune, Pondicherry for manufacturing the "Kraft paper, Mill board, Duplex board.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee noted that this proposal utilize huge quantity of water for their process and zero discharge is proposed. The Committee after due deliberation decided to defer the proposal.

Agenda Item No.10: Issue of Consent to Establish / NOC to M/s. Victory Constro Aid India Private Limited, Nettapakkam Commune, Puducherry for manufacturing Tile Adhesive - 900 MTA and Wall Putty - 750 MTA

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- (i) Inbuilt dust collector shall be provided.

MINUTES OF THE 130th MEETING OF PUDUCHERRY POLLUTION CONTROL
COMMITTEE HELD ON 03.05.2013 AT 3.30 P.M. IN THE CONFERENCE HALL OF
PHB BUILDING, ANNA NAGAR, PUDUCHERRY

Agenda Item No.11: Issue of Consent to Establish / NOC to M/s. SSS Automotive Specialities, Nettapakkam Commune, Puducherry for manufacturing Automobile Maintenance Liquids, Auto Shampoo, Paint Polish, Wind Screen Soap Liquid - 5000 LPA

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i. Solar evaporation pond shall be provided to dispose wash water.
- ii. The unit shall submit an undertaking stating that the activity shall be shifted to an alternate location in case of any public complaint.

Agenda Item No.12: Issue of consent to establish to M/s. Rhema Industries, Mannadipet Commune Panchayat, Puducherry. For carrying out the manufacturing activity of Detergent powder and Cakes.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i) The unit shall provide dust collectors to mitigate the particulate emissions while mixing.
- ii) Necessary clearance shall be obtained from the Town and Country Planning Dept.

Agenda Item No. 13: Issue of consent to establish to M/s. Akshaya Pharma, Mannadipet Commune Panchayat, Puducherry for manufacturing Tablets and Capsules - 7 Lakhs pieces/year

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal of the unit for manufacturing "Pharmaceutical products i.e. Tablets, Capsules - 7 Lakhs pieces/year" with the following conditions:

- i) The unit shall provide Air Handling unit and maintain dust free environment.
- ii) The Forced evaporator shall be provided for the disposal of the wash water.
- iii) The sludge from the evaporator shall be disposed to the CBMWTF to whom the industry is having an agreement with. Necessary records shall be maintained.
- iv) The unit shall obtain necessary authorization from the FDA.
- v) The unit shall not manufacture liquid orals or other products which are not mentioned in the consent without the consent of this authority.
- vi) Necessary clearance shall be obtained from the Town and Country Planning Dept.
- vii) No liquid items shall be manufactured.

Agenda Item No.14: Issue of Consent to Establish / NOC from Pollution Angle to M/s. Shree Balajee Sales, R.S. No.74/7, Nathamedu (Eripakkam), Nettapakkam Commune Panchayat, Puducherry for slag bricks

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to wait for Goa Pollution Board report on the existing similar unit and also to get opinion from expert in the field of Metallurgy from IIT Chennai or NIT, Trichy, etc.

MINUTES OF THE 130th MEETING OF PUDUCHERRY POLLUTION CONTROL
COMMITTEE HELD ON 03.05.2013 AT 3.30 P.M. IN THE CONFERENCE HALL OF
PHB BUILDING, ANNA NAGAR, PUDUCHERRY

Agenda Item No.15: Issue of Consent to Establish / No Objection Certificate to M/s Sri Arunachalam Hospitals, No. 205, Chinna Subbaraya Pillai Street, Puducherry.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with condition to dispose the Bio Medical Waste as per the provisions of Bio-Medical Waste (Management & Handling) Rules, 1998.

Agenda Item No.16: Issue of Consent to Establish / No Objection Certificate to M/s Sri Arunachalam Hospitals, No. 145, Yanam Venkatachalam Pillai Street, Puducherry.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with a condition to dispose the Bio Medical Waste as per the provisions of Bio-Medical Waste (Management & Handling) Rules, 1998.

Agenda Item No.17: Issue of Consent to Establish / No Objection Certificate to M/s. Sri Sai Teja Industries, T.S No.F/3/12/3Pt, Adavipolam, Yanam Municipality for manufacturing Injection Moulding , PP Egg Trays, PP Chairs, HDPE Articles & Reprocessing Granules: 200 MTA with power requirement of 129 HP.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i. The waste plastic scrap shall be reprocessed.
- ii. The unit shall not manufacture the permitted products of thickness below 50 microns.
- iii. The unit shall register with PPCC under the Plastic Waste (Management and Handling) Rules, 2011.
- iv. Land conversion shall be obtained from the T&CP Department.

Agenda Item No.18: Issue of Consent to Establish / No Objection Certificate to M/s. Sai Ushodaya Industry, T.S No. F/3/12/3pt, Adavipolam, Yanam Municipality for manufacturing LDPE Sheets, Film Covers, HDPE Woven Sacks, Recycling Granules – 500 MTA with power requirement of 129 HP.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i. The waste plastic scrap shall be reprocessed.
- ii. The unit shall not manufacture the permitted products of thickness below 50 microns.
- iii. The unit shall register with PPCC under the Plastic Waste (Management and Handling) Rules 2011.
- iv. Land conversion shall be obtained from the T&CP Department.

Agenda Item No.19: Issue of Consent to Establish / No Objection Certificate to establish M/s. Vanapalli Pallalamma Ice and Cold Storage, T.S. No. F/2/11/2 pt, Adavipolam, Yanam Municipality for manufacturing Ice Cubes – 15,000 MTA with power requirement of 127 HP

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i. The water requirement shall not exceed 54 KLD.
- ii. The wash water (5 KLD) shall be properly collected, treated and used for gardening.
- iii. Land conversion shall be obtained from the T&CP Department.

**MINUTES OF THE 130th MEETING OF PUDUCHERRY POLLUTION CONTROL
COMMITTEE HELD ON 03.05.2013 AT 3.30 P.M. IN THE CONFERENCE HALL OF
PHB BUILDING, ANNA NAGAR, PUDUCHERRY**

Agenda Item No.20: Issue of Consent to Establish / No Objection Certificate to establish M/s. Sri Venkateswara Ice Factory, T.S. No. F/2/14/1, Adavipolam, Yanam Municipality for manufacturing Ice Blocks / Cubes - 10,000 TPA with power requirement of 110 HP.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i. The water requirement shall not exceed 30 KLD and the same shall be incorporated in the water drawal permission issued on 28.02.2013 by the PWD, Yanam.
- ii. The wash water (5 KLD) shall be properly collected, treated and used for gardening.
- iii. Land conversion shall be obtained from the T&CP Department.

Agenda Item No.21: PPCC - Issue of Consent to Establish / No Objection Certificate to M/s. Green Park Bio Sciences, T.S No.F/3/12/3 Pt, Adavipolam, Yanam Municipality for manufacturing Tablets - 1,47,000 Nos./day, Capsules - 98,400 Nos./day with power requirement of 60 HP.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to clear the proposal with the following conditions:

- i. The unit shall not manufacture Syrups.
- ii. The unit shall submit a valid agreement with the Common Bio Medical Waste Treatment Facility (CBMWTF) for disposal discarded products.
- iii. Mechanical evaporator shall be provided for disposal of wash water. The sludge collected from the mechanical evaporator shall be disposed in a secured land fill located in the CBMWTF.
- iv. Centralized dust collector with necessary hood and duct arrangement shall be provided.
- v. The Unit shall obtain clearance from Food & Drugs Authority, Puducherry.
- vi. The unit shall obtain Authorization under the Bio Medical Waste (Management & Handling) Rules, 1998.
- vii. Land conversion shall be obtained from T&CP Department.

Agenda Item No.22: Issue of Consent to Establish / No Objection Certificate to M/s. Circar Carbide Industries Private Limited for shifting the unit from T.S. No.A/5/4/8pt, Mettacur to T.S No.F/3/14/2 Pt, Adavipolam, Yanam Municipality for manufacturing Calcium Carbide - 600 MTA and Ferro Silicon - 250 MTA with power requirement of 680 HP.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee noted that:

- i. This is an existing SSI unit permanently registered with the Dte. of Industries & Commerce vide Registration Certificate dated 5.11.1985 manufacturing Calcium Carbide-600 MTA with power requirement of 680 HP.
- ii. The Project Agency vide letter dated 13.08.2012 has stated that they are running the unit from the last 28 years and habitation came into existence years back. Now due to public objections the management has proposed to shift the unit into industrial area.
- iii. As per the decision taken in the 44th PPCC meeting held on 26.10.1999, the PPCC is not permitting the establishment / expansion of Pollution Potential Units viz. M.S. Ingots, Chlorates, Ferro Alloys and Calcium Carbide.

However this proposal is for shifting of the existing unit from mixed location (residential & industrial) to an existing industrial area within the Yanam region itself, the Committee after due deliberation decided to clear the proposal with the following conditions:

**MINUTES OF THE 130th MEETING OF PUDUCHERRY POLLUTION CONTROL
COMMITTEE HELD ON 03.05.2013 AT 3.30 P.M. IN THE CONFERENCE HALL OF
PHB BUILDING, ANNA NAGAR, PUDUCHERRY**

- i. The unit shall surrender the original Air & Water consents in the existing location to the PPCC.
- ii. After shifting to new location, the unit shall manufacture only the existing product with permitted capacity i.e. Calcium Carbide – 600 MTA.
- iii. The existing power requirement of 680 HP shall not be exceeded.
- iv. The unit shall provide APCS viz. Spark arrester, Bag filter, Wet scrubber and a stack of 30 mts. Height for effective dispersion of emissions.
- v. There shall not be any effluent generation.
- vi. Land conversion shall be obtained from T&CP Department.
- vii. Green belt around the premises of the unit shall be developed.

Agenda Item No.23: Issue of Consent to Establish / No Objection Certificate to M/s. V.K.R. Alloys for shifting the unit from T.S. No.A/5/4/8 pt. Mettacur to T.S No.A/2/4/1 Pt, Mettacur, Yanam Municipality for manufacturing of Calcium Carbide - 800 MTA with power requirement of 670 HP.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee noted that:

- i. This is an existing SSI unit permanently registered with the Dte. of Industries & Commerce vide Registration Certificate dated 01.02.1996 manufacturing Calcium Carbide-600 MTA with power requirement of 670 HP.
- ii. As per the decision taken in the 44th PPCC meeting held on 26.10.1999, the PPCC is not permitting the establishment / expansion of Pollution Potential Units viz. M.S. Ingots, Chlorates, Ferro Alloys and Calcium Carbide.

However this proposal is for shifting of the existing unit from mixed location (residential & industrial) to proposed industrial area within the Yanam region itself, the Committee after due deliberation decided to clear the proposal with the following conditions:

- i. The unit shall surrender the original Air & Water consents in the existing location to the PPCC.
- ii. After shifting to new location, the unit shall manufacture only the existing product with permitted capacity i.e. Calcium Carbide – 600 MTA.
- iii. The existing power requirement of 670 HP shall not be exceeded.
- iv. The unit shall provide APCS viz. Spark arrester, Bag filter, Wet scrubber and a stack of 30 mts. Height for effective dispersion of emissions.
- v. There shall not be any effluent generation.
- vi. Land conversion shall be obtained from T&CP Department.
- vii. Green belt around the premises of the unit shall be developed.

Agenda Item No. 24: Issue of Consent to Establish to M/s. Valli Ice Plant at R.S. No. 198/2A/16/1 pt., T.S. No. 54, Ward 'L', Block No. 6, Karukalacherry Road, Oduthurai Village, Neravy Commune Panchayat, Karaikal for manufacturing White Ice – 20 TPD.

The Committee discussed the proposal of the project agency in detail. The Committee after due deliberation decided to defer the proposal for want of further clarification from the Town and Country Planning Department under Land Use Classification.

Agenda Item No. 25: Issue of NOC to M/s. Immaculate Institute of Health Sciences, Idhaya Nagar, Puthamangalam, Thirunallar Commune Panchayat, Karaikal for starting of Diploma in Nursing Course in the existing separate buildings for Classes and Hostel.

The Committee decided to defer the proposal since the project proponent did not turn up for the Meeting.

**MINUTES OF THE 130th MEETING OF PUDUCHERRY POLLUTION CONTROL
COMMITTEE HELD ON 03.05.2013 AT 3.30 P.M. IN THE CONFERENCE HALL OF
PHB BUILDING, ANNA NAGAR, PUDUCHERRY**

Agenda Item No. 26: Issue of NOC to M/s. Hotel Moujahir at R.S. No. 77/1 pt., T.S. No. 89, Ward 'F', Block 16, Kamarajar Salai, Karaikal Municipality, Karaikal to carry out Lodging and Restaurant.

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation **decided to defer** the proposal for the following reasons:

- i. The unit shall obtain necessary statutory clearance from the State Ground Water Unit of Agriculture Department for drawal of water.
- ii. The unit has constructed the building in violation of Karaikal Planning Authority norms hence the unit shall obtain necessary statutory clearance from the Karaikal Planning Authority.

Agenda Item No. 27: Issue of NOC to M/s. Prasanth Modern Rice Mill at R.S. No. 38/2, Malaiyur Village, Village No. 34, Padutharkollai Road, T.R. Pattinam, Karaikal to carry out Processing of Paddy (Rice – 585 TPA).

The Committee heard the proposal of the project agency and discussed the subject in detail. The Committee after due deliberation decided to accord clearance with the following conditions:

- i. The entire operations shall be carried out in a closed area.
- ii. The unit shall provide a stack of height 10 metres to the proposed Non-IBR Boiler.
- iii. The dust emissions from the boiler activities shall be collected through water bed system.
- iv. Water utilized for soaking shall be used for gardening purpose.
- v. Ash shall be properly collected and used as supplement for agriculture / gardening purpose.

Agenda Item No. 28: Issue of Consent to Establish to M/s. Kaleesuwari Refinery Private Limited at S. No. 3/1,2,3 & 17/1,2,3, Nagore Road, Vanjore Village, T.R. Pattinam Commune Panchayat, Karaikal to manufacture Refined Vegetable Oil – 1,50,000 TPA and De-oiled Cake – 55,000 TPA.

The Committee noted that the project agency has desired to defer the proposal for the establishment of the factory. Hence, the Committee decided to defer the proposal in lieu of project agency requests.

The remaining items were not taken up due to paucity of time.

**MINUTES OF THE 130th MEETING OF PUDUCHERRY POLLUTION CONTROL
COMMITTEE HELD ON 03.05.2013 AT 3.30 P.M. IN THE CONFERENCE HALL OF
PHB BUILDING, ANNA NAGAR, PUDUCHERRY**

ANNEXURE

Sl. No	Name & Designation of member Tvl.		
1.	S. Sundaravadivelu, Special Secretary to Government Science, Technology & Environment	--	Chairman
2.	Dinakaran Deputy Director Industries Department (Representing Director)	--	Member
3.	V. Radhakrishnan Hydrogeologist Department of Agriculture (Representing Director)	--	Member
4.	Dr. N. L.N. Sarma Deputy Director Director of Health & Family Welfare Services (Representing Director)	--	Member
5.	Dr. K. Coumarane Veterinary Medical Officer Puducherry Municipality. (Representing Commissioner)	--	Member
6.	S. Ragunathan Chief Town Planner Town & Country Planning Department (Representing Senior Town Planner)	--	Member
7.	Prof. M. A. Sivasankaran, Dept. of Civil Engineering Puducherry Engineering College (Representing Principal)	--	Member & Special Invitee
8.	G. Ramasundaram Executive Engineer-IV Electricity Department (Representing Superintending Engineer)	--	Special Invitee
9.	M. Dwarakanath Director Science, Technology & Environment	--	Member Secretary
